## Recycling Center

### Rules

Recycle materials by placing them in the marked recycling totes

Please Keep Our Recycling Center Clean!

#### Bottles & Cans (don't place in plastic bags)

##### Place glass container directly in blue totes

- Glass bottles & jars. All colors accepted. Rinse all containers clean. Avoid breaking glass

##### Place cans and plastic containers in short gray bins, your volunteers will compact and put them in the blue totes

- Aluminum/tin cans and foil products
  - Flatten all cans and foil
  - Remove labels from tin cans – recycle paper labels with mixed paper
- Plastic bottles, Tubs, Jars, Pails, Buckets (up to one gallon,) single serve plastic cups and cup lids.
  - Rinse all containers clean. Nest tubs together. Flatten plastic bottles. Remove all bottle caps, rings and lids and recycle them. Discard pumps.
  - All colors and numbers accepted. Labels are OK.
    - Milk, water, soda, juice, ketchup, cooking oil, detergents, etc.
    - Shampoo, soap, cosmetic, medicine, contact lens solution, etc.
    - Detergent, fabric softener, household cleaner, bleach, etc.
    - Windshield washer fluid
