1. Snowline is not a resort. Rental and guest services are the responsibility of the owners and/or their agents. Resident manager, employee and residents are not there to help guests open the gate, find cabins or access to them.
2. Directions and instructions to cabin must be provided to guests – gate & cabin access, no double gate entry, no cell service, watch for burn ban signage, speed limit etc.
3. Rules posted in cabin – noise, speed, garbage & recycling, pet, campfire rules, no firework, guns, parking etc.
4. Rental form submission before check-in but no later than check-out. Owners responsible even if delegated to an agency.
5. Pay rental fees timely (when invoiced) or in advance.
6. Owners are responsible for guests and renters breach of rules and regulations plus any resultant fines and assessments.
